Our Promise To You

**Last Revised August 2015*

A Royal Pet, Is a Healthy Pet

Kitten Wellness Plans

The first year of a kitten's life is when they are most vulnerable, and depend on you to make sure that he or she continues to grow into a strong and healthy adult cat. Royal Pet Kitten Wellness Plans help you do just that, providing the proper health care and protection from contagious diseases, parasitic infections and also provide significant savings for you on neutering or spaying. Our Wellness Plans make kitten care easy and affordable!

- Restrictions (Kitten AND Adult Feline Wellness Plans):**
- Pet must be healthy at enrollment and at least 8 weeks of age. Pet must be less than 1 year of age for all vaccines, tests, and surgical procedures to be covered under the kitten wellness plan. Pets over 1 year of age require the Adult Feline Wellness Plan.
 - Additional fees will apply for pets in heat, pregnant, lactating, or diagnosed as "cryptorchid" (retained testicles) for surgery coverage.
 - Annual Savings per year is based on Crown plan (less the cost of initial membership fee).
 - Additional restrictions or changes may apply without notice, and all plans are Non-Transferable. Administrative fee (\$2.00/month) will apply when using credit/debit card for payment. There is no administrative fee for automatic payments directly withdrawn from a checking account.
